

Scheufler Reunion 2011

Dear Scheufler's,

We (the Paul Scheufler Family) are hosting the annual Scheufler Family Reunion this year in Lyons, KS, at the Celebration Centre, 1145 E. Hwy 56. This is an air conditioned facility and will be open all day both days to provide the main gathering point for Saturday and Sunday's activities, July 30 and 31. We have enclosed a Schedule of Events but here's a rundown of what we have planned. *(A map of Lyons will be available at the Centre; but also check online at www.scheuflerfarms.com)*

One of the hosted events is a tour of **Kansas Ethanol** located south of Lyons at 1630 Avenue Q. This is a walking tour lasting about one hour. Please wear comfortable walking shoes, sun screen, hats, etc. Please drop us an email (lee@scheuflerfarms.com) with the number planning to attend this tour as the staff there will need to make sure they have enough personnel on duty to handle our group.

After this tour, we will go back to Lyons to eat at El Potrillo Mexican Restaurant, 821 West Main. Following lunch, a choice of afternoon activities is available. We can do these as a group, depending on interest, or let individual families do things on their own (we're open to feedback).

- The Lyons Municipal **Swimming Pool** will be open on both Saturday and Sunday. It was newly constructed last summer and has a baby pool, 2 slides for different age groups, 2 diving boards, and is located next to Tobias Park. The hours for general swim are Saturday 12-6 and Sunday 1-6. Bring your own swimsuit and towels.
- Experience the Rice County Community Foundation's half-mile sidewalk **Nature Trail** surrounded by trees, flower beds, bird baths, benches and a 21 foot gazebo. This is located adjacent to the Celebration Centre.
- The **Coronado-Quivira Museum** in Lyons is one of the best small museums in Kansas. Separate displays focus on early inhabitants, Spanish explorers, the Sante Fe Trail, and the coming of homesteaders and permanent settlers. Part of the museum is in the old Carnegie Library, with most of the displays in the newer, adjacent structure. Museum hours are Saturday 9-5 with \$2 Adult admission and \$1 Kids 6-12.
- Walking/talking tour of **Scheufler Farms** including grain storage facility, new fertilizer containment and sprayer addition.

Supper is at 6 p.m. Saturday at the Celebration Centre with a dance following. We are inviting members of the Finger family to join us for this part of the reunion. Other friends of Lee & Margaret are being invited to join us also for the dance.

Sunday's activities include Mass (times are noted on back of this page), a morning driving tour of Rice county agricultural highlights and a catered meal at noon at the Celebration Centre. Family visiting, pictures and announcements will wrap up the weekend activities. Please bring a list of your new family members with full names and birthdates, as many people will want to update the family tree.

Come and enjoy our time together,

Paul & Lois Scheufler & Family
